

\$99

for 12 months*

Fiber Internet+ Fiber TV

(requires the purchase of both services)

Experience incredible technology at an incredible price. Fiber delivers stunning HD service and Internet at download speeds up to 1 Gigabit. Imagine all you'll be able to do without anything slowing you down.

Order now and get access to the Extra Variety Tier of channels, including the premium movie service EPIX, for the first three months.

*Limited time offer. New customers only. Offer not valid with any other offer or promotion. Promotional rates require purchase of both services. Available in serviceable areas only. Credit qualifications apply. The rate of \$99 per month for 12 months includes Fiber TV, 1 receiver with remote, HD access, Extra Variety Tier for 3 months, Gigabit Internet with download speeds up to 1 Gbps and upload speeds up to 1 Gbps. Prices return to standard rates after 12 months. Standard Terms and Conditions apply. Internet speeds are up to maximum advertised upload and download speed available. Speeds may vary and are not guaranteed. Wi-Fi not included. DVR and Enhanced DVR require an additional fee. Customer is responsible for all additional charges, including but not limited to taxes, surcharges, installation, On Demand, other pay-per-view services and non-returned equipment. Details of Terms and Conditions can be found at northstate.net. Other conditions and restrictions may apply; call 336-884-6595 for details.
