1. APPLICATION OF TARIFF

1.1 General

- A. This Tariff contains regulations, rates and charges applicable to the provision of Carrier Common Line, Switched Access Services, Special Access Services, and other miscellaneous services, hereinafter referred to as service(s), provided by North State Telephone Company d/b/a North State Communications, hereinafter referred to as the Company, to Interexchange Carriers, Resellers, Telephone Companies and any other entity authorized to order service out of this Tariff, hereinafter referred to as IC(s).

The services identified in this Tariff, with certain exceptions which are identified as follows, are also available to other customers, subject to the same constraints and limitations that are applicable to certified interexchange carriers.¹

1. Automatic Number Identification
2. Billing and Collection Services

- B. The provision of such services by the Company as set forth in this Tariff does not constitute a joint undertaking with the IC for the furnishing of any service.
- C. The regulations, rates, and charges contained herein are in addition to the applicable regulations, rates, and charges specified in other tariffs of the Company which are referenced herein.
- D. The regulations, rates and charges contained within this Tariff are not applicable to Radio Common Carriers.

Note 1: The North Carolina Utilities Commission order of May 17, 1995, allowed the sale of access services to other customers with certain exceptions. FGD Access Service with CCSAC (including Charge Number and other options) and Billing Name and Address for ANI are additional services which are not to be available to customers other than ICs. These services are not available to any customer from this Tariff at this time.
